

BETACLEAN GC-800 Glass & Surface Cleaner provides advanced surface preparation as a vital part of the adhesive repair process.

Product Benefits:

- Effectively removes contamination
- Sprays on, wipes off
- Foams for dirt, road film and grease cleanup
- Doesn't run
- Evaporates quickly to ensure a residue-free bonding surface
- Convenient and economical 18-oz. aerosol dispenser
- Compatible with BETASEAL™ adhesives
- Approved for use as a cut-out lubricant

Application: BETACLEAN GC-800 is designed for use to clean all automotive glass surfaces.

Application Methods: If contamination is observed, use BETACLEAN GC-800 and a mild abrasive pad to "wet scrub" the affected bonding area. Be careful not to scratch the glass/frit.

Material Type: Glass cleaner

Availability: Global
